

SAMSUNG

Meet Galaxy Book3 360, the new way to PC

Upgrade your world with a PC that's packed with features to make life even better and easier.

Elevate your everyday

Galaxy Book3 360 helps you stay on top of the workday from wherever you are without skimping on power.

Creative productivity all day

Unleash your imagination on an innovative touch screen PC with all day battery life and a full HD camera ensures sharp, clear video calls.

Do more, and do it more securely

Connect your Galaxy devices and expand your work possibilities. And do it all simply, securely and worry-free.

Galaxy Book3 360

Take powerful productivity anywhere

Elevate your everyday

Flex your curiosity

- Newest 13th-gen Intel Core processor
- Intel Evo platform for perfect balance of responsiveness, performance and battery life
- Stream webinars and video conferences with ease

Spark screen envy

- Stunning Touch AMOLED screen
- See and do more in amazing clarity
- Available in 13.3" and 15.6" 16:9
- 120% DCI-P3 space for truly accurate colors

Creative productivity all day

Power of a PC Convenience of a tablet

- 2 in 1 design gives you the power a laptop and the flexibility of a tablet
- 360-degree hinge gives you two capabilities in one versatile device
- Touch screen is ideal for on-the-go workers and visual thinkers
- Thin and light, 13.3-in. display: 2.56 Lbs.; 15.6-in.: 3.22 Lbs.
- No matter where you roam — a full range of ports for every connection possibility

Pinpoint precision with a real pen feel

- Compatible S Pen (sold separately) lets you draw, sketch, annotate and capture notes on the fly¹
- Convert notes to text in a flash with the Samsung Notes app
- Feels like a real pen, both in your hands and on the screen

Look and sound amazing

- Look and sound your best during online meetings
- Upgraded Full HD camera with wide angle
- Dual stereo speakers with Dolby Atmos sound
- Integrated Microphone

All-day power to power through

- Compact 65W USB-C universal fast charger included works with all your Galaxy devices
- Get a 40% charge in just 30 minutes

Do more, and do it more securely

Unite your Galaxy

- Galaxy devices sync wirelessly with each other to help you do more
- Quick Share lets you easily transfer files from one device to another²
- Access or transfer a file, photo or text on any device
- Start a video or voice call on one device, continue it on another³
- Extend your workspace by using your Samsung Galaxy Tab as a second screen⁴
- With Multi Control even control your Galaxy tab or phone with your Galaxy Book⁵

Security that's all about your business

- Fingertip scanner lets you unlock your laptop with the tap of a finger
- Private Share⁶ lets you set time limits on access to shared files and revoke file access any time
- Helps protect data with advanced protection of firmware and dynamic root of trust measurement
