

10 Port Fast Charging Smart Station (6 USB-C / 4 USB-A)

CHARGING AT THE SPEED OF TECHNOLOGY!

You can charge up to ten tablets, smartphones, or other devices at the same time. To charge your devices, simply plug the included external power supply into any outlet and connect your devices to the available USB-C or USB-A ports. The Smart Station protects against overheating, overcurrent and overcharging. In fact, it stops charging as soon as your devices' batteries are at full capacity.
