

4.5 Cu. ft Compact Refrigerator

Model RMF-128SS

This 4.5 cu ft compact refrigerator is big enough for your groceries, snacks and beverages, but small enough to fit almost anywhere. Ideal in size for a rec room, game room, dorm room, garage, or office. Features a half-width freezer compartment, tempered-glass shelves and a door that is ideal to store bottles, drinks and more. Energy Star Certified, this refrigerator is equipped with a reversible door, which gives you more options when choosing where to place the fridge. Adjustable thermostat control enables for quick and simple temperature adjustment.
