Soft touch, hard working on several surfaces

Absorbs up to 15 times its weight

Soft touch, hard working on several surfaces
Foam backing is soft to your hands, gives a good grip and enhances ergonomics. But don't let that soft touch fool you - this is a hard working partner that cleans several kinds of surfaces to a shiny result.

Material

PurActives special coating easily lifts stubborn grime whilst being gentle on all hard surfaces. It cleans three times more effectively than traditional non-scratching scourers and is more gentle on surfaces than a traditional abrasive scourer.

Hygiene & Safety

With the colour coding system, a cleaning process according to hygiene standards and HACCP principles can be applied.

Usage

For use on all hard surfaces where a scratch free finish is required (but test on an inconspicuous area first).

Your benefits at one glance:

- ✓ Easily lifts grease and grime
- ✓ Gentle on all hard surfaces
- ✓ Fits comfortably in your hand
