¹Based on average battery life under typical usage conditions. Average expected performance based on typical use. Actual battery life depends on factors such as network, features selected, frequency of calls, and voice, data, and other application usage patterns. Results may vary. ²25W Super Fast charger sold separately. Super Fast Charging speed depends on battery level and other factors; use only Samsung-approved chargers and cables; do not use any worn or damaged chargers or cables; incompatible charger or cable can cause serious injuries or damage to your device. ³Charger not included. Use only Samsung-approved chargers and cables. ⁴Display measurements are diagonal, and actual viewable area is less due to rounded corners. ⁵Snapdragon is a product of Qualcomm Technologies, Inc. and/or its subsidiaries. ⁶Portion of memory occupied by existing content. © 2023 Samsung Electronics America, Inc.
