# Meet Galaxy Book4 Pro, the new way to PC

From passion projects to vacation planning to managing your household, you have a lot going on and need a device powerful enough to handle it all. Galaxy Book4 Pro offers extraordinary power in our thinnest laptop in the Galaxy Book4 Series and becomes even mightier when connected to your other Galaxy devices.

Whether you're editing files for your new project or managing the family calendar and household budget, the latest Intel® Core™ Ultra processor has your back. Even your busiest days are no match for the lightweight design and long-lasting battery. You can take this laptop anywhere, and with the anti-reflective screen, why not enjoy a sunny day outside while you check off items on your to-do list?

Even go-getters need a break, so grab this laptop to start planning your next getaway. See every vibrant detail on the stunning Dynamic AMOLED 2X display, now with touchscreen, as you research your next destination, and be transported to a different world before even getting on the plane. Hop on a video call with your travel partners to finalize the itinerary and feel like you're in the same room thanks to a studio-worthy mic and quad AKG speakers.

Sync this laptop with your other Galaxy devices for a new level of productivity. Pair it with your smartphone to effortlessly sync files and call and text right from your laptop<sup>1</sup>, all while knowing you have our most advanced security with Secured Core PC and Samsung Knox.

Power and portability to keep you moving forward — that's Galaxy Book4 Pro.
