CKW350US

SKU: HP5902

Introducing our CKW350 Wireless Keyboard and Mouse Combo, a perfect pairing for an enhanced computing experience. The keyboard features a low profile design for efficient and comfortable typing, with responsive keys that ensure a smooth and precise input. With a 2.4Ghz wireless design, it's built for productivity right out of the box. The accompanying Wireless mouse is designed for optimal comfort during extended use, providing precise cursor control and a quiet click to minimize office noise. This combo is ideal for both work and play, offering reliability and convenience. Upgrade your setup with this sleek and functional Wireless Keyboard and Mouse Combo, designed to meet the demands of modern computing.

- 2.4Ghz Wireless design allows for maximum productivity right out of the box with included batteries

- Easy to read laser etched key caps prevent character fading

- Low profile design with squared key caps for improved typing comfort, accuracy, & noise reduction

- Multimedia F-keys for quick access to various functions such as email, favorites, and volume controls.

- Includes silent wireless mouse minimizing noise in busy office environments
