**Galaxy Book4**

# Meet Galaxy Book4, the new way to PC for your business

Get a little more out of your workday with Galaxy Book4. This laptop delivers on all the top features your business needs with the premium design you want. The gorgeous display, ample processing power and seamless connectivity with your other Galaxy devices make your next laptop choice for your business a clear one.

Powered by the latest Intel® Core™ processor and a long-lasting battery, this laptop helps your team stay on top of emails, research top competitors and post updates to professional social media handles. Store plenty of work files with 512GB of built-in storage<sup>1</sup> and expand up to 2TB with a microSD card<sup>2</sup>.

Lead a videoconference or stream a webinar on a full-HD display that's colorful and captivating, and see every detail of your latest project on the large 15.6" screen. Plus, team members can easily sync with their other Galaxy devices to create a seamlessly connected Galaxy ecosystem.

Power and premium design to elevate your business — that's Galaxy Book4.

## Power to elevate your business

Meet the workday head-on with an Intel® processor that's up to the challenge.

## Power plus portability

Performance meets style in a sleek, premium design that's slim and easy to carry.

## A screen that stands out

Tackle all your work tasks on a large 15.6" display that's colorful, crisp and vivid.

## A packed battery for your stacked days

Stay focused on what matters with a powerful long-lasting battery.

## Plenty of ports

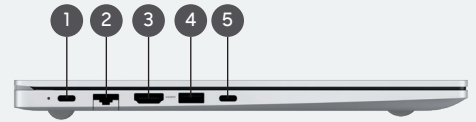

Connect to other devices with a variety of ports.
