

Part# TGMHORRTU4301BM **UPC** 843151143765

Product Title:

CLX Horus Gaming PC - Intel Core i9 14900KF 3.2GHz 24-Core, GeForce RTX 4070 SUPER 12GB, 2TB NVMe M.2 SSD, 32GB DDR5 5600MHz RGB Memory, 360mm AIO, WiFi, Windows 11 Home, Black

Product Description:

Dive into ultimate game play like a Falcon of War with this CLX Horus Gaming PC. Powered by an Intel Core i9 14900KF processor and equipped with AIO liquid cooling technology, this PC ensures top-tier performance and efficient temperature control, allowing you to indulge in extended sessions of high-performance gaming without compromise. The GeForce RTX 4070 SUPER graphics card delivers breathtaking visuals utilizing AI-accelerated performance with DLSS 3, and super-fast ray tracing enabling you to dive into lifelike worlds with supercharged and smooth gameplay at high resolutions. Performing at the highest levels requires lightning-fast memory, so included in this amazing rig is 32GB of DDR5 5600MHz memory with the ability to add more if you need or desire, up to a max 192GB. Also included, a spacious 2TB NVMe M.2 SSD, multitasking becomes seamless, data access is lightning quick, and it provides ample storage for all your games and files. Stay connected with high-speed wired and WiFi network capabilities, enhanced by the preinstalled Windows 11 Home operating system, which offers the latest features and enhancements for an optimized experience. Crafted with meticulous attention to detail, this CLX Horus boasts superior quality craftsmanship, ensuring durability and reliability for years to come. A gorgeous system that will allow you to truly showcase your rig as this CLX Horus PC is built in a satin black mid-tower chassis with near-seamless front and side glass panels. Several RGB fans will keep the cool air flowing and let you enjoy several color options to set your gaming mood. Backed by industry leading CLX support, assistance is readily available, providing you with peace of mind and uninterrupted enjoyment. Elevate your setup to the power and performance you desire for the best frame per second gaming with this CLX Horus Gaming PC and embark on a journey of unparalleled performance, quality workmanship, and immersive experiences.

Product Features:

- High-Performance Processor & Cooling: Intel Core i9 14900KF 3.2GHz 24-Core with 360mm AIO liquid cooling ensures top-tier performance and temperature control for extended gaming sessions.
- Cutting-Edge Graphics: Dive into lifelike visuals with the powerful new GeForce RTX 4070 SUPER 12GB GDDR6X graphics card, delivering smooth gameplay at high resolutions for an immersive supercharged experience.
- Lightning-Fast Memory & Storage: Enjoy lightning-fast 32GB DDR5 5600MHz memory and a spacious 2TB NVMe M.2 SSD for seamless multitasking and rapid data access, providing ample storage for your games and files.
- Seamless Connectivity & OS Control: Stay connected with high-speed wired and WiFi network capabilities, complemented by preinstalled Windows 11 Home for the latest features and enhancements, ensuring a smooth experience.
- Premium Craftsmanship & Support: Crafted with meticulous attention to detail, this CLX Horus PC offers superior quality craftsmanship and reliability. Backed by industry-leading support, game with confidence knowing assistance is readily available for uninterrupted gaming enjoyment.
