

HP 965 Ergonomic Wireless Keyboard (7E756AA)

Overview

Life. Work. Balanced.

Build a space that works for you with the scientifically-designed HP Ergonomic Wireless Keyboard. The split-zone layout adapts to you, while twenty programmable keys[1] and a separate numeric keypad offer total customization. And with two ways to connect devices, you can work assured you've got the right tools for the task.

Precisely designed for you

This ergonomic keyboard's adaptable design helps you type in a more natural position throughout the day. Its split zones and negative tilt reduce forearm muscle activity by 19% and lateral wrist deviation by 60%, on average[2]. Finger-fit keycaps and extra-large wrist rest with high-density foam offers extra support, while the separated numeric keypad can be placed where you want when you need it. Ergonomically designed for you—all backed by Human Factors and U.S. Ergonomics certification.

Keep your business yours

Securely connect the HP 965 Ergonomic Wireless Keyboard with the HP Unifying Dongle[4] for one worry-free connection. Or, seamlessly switch to wireless Bluetooth® and link up quick using Swift Pair. You've got options, including multi-device support for up to 3 devices, so you can enjoy a smoother, more productive workflow.

Personalized performance

Don't work like everyone. Work like you. This keyboard works with you to do just that. Set shortcuts across twenty programmable keys[1], then choose your wireless keypad's perfect position. Plus, quiet keys and up to a 24-month battery life[3] on the keyboard and 6-month on the keypad help you stay focused, so your projects stay true to your vision.

Built for a better tomorrow

The better choice for a brighter tomorrow, the HP Ergonomic Wireless Keyboard is made with at least 60% post-consumer recycled materials[5]. Plus, with FSC® certified packaging, this keyboard was thoughtfully designed.

Features

Flexible separate numpad

Work the way you want, thanks to the separate numpad. Work more comfortably or save desk space by placing it to the right or left of the keyboard, or even store it away when you're done for the day.

Personalize with the HP Accessory Center

Program up to twenty keys in the HP Accessory Center and share files between devices through HP Clipboard.^[1]

In-keyboard dongle storage

Keep your HP Unifying Dongle in the included storage space to ensure every piece stays with its parts.^[4]

Safe to sanitize

The keyboard is proven to withstand the cleaning power of household disinfectant wipes up to 1,000 times.^[6]

Sustainably sourced packaging

Forest Stewardship Council® (FSC) Certified, meaning the color box of our packaging come from responsibly managed forests to provide environmental benefits.

Swift Pair for quick connections

Sync up with a single click. When the pop-up asks if you'd like to pair, simply tap yes for a seamless Bluetooth® connection.

[1] Only select keys are programmable on the keyboard, not on the numpad. Requires HP Accessory Center (HPAC) Software. HPAC available for free download in Microsoft Store.

[2] Based on HP internal testing compared to standard keyboard.

[3] Battery life is an estimate and varies depending on many factors, including number of active, idle and asleep hours of use, number of applications running, environmental conditions and features used; actual battery life will vary with usage and environmental condition. The maximum capacity of battery will naturally decrease with time and usage. Keyboard has up to 24-month battery life, and numpad has up to 6-month battery life.

[4] Supports only select HP wireless accessories. Requires HP Accessory Center (HPAC) Software to pair/unpair with other HP Unifying dongle-enabled devices. HPAC available for free download in Microsoft Store.

[5] Recycled plastic is expressed as a percentage of the total weight plastic. Post-consumer recycled is based on the definition set in the EPEAT® standard for computers, IEEE 1680.1-2018 standard.

[6] Select household wipes can be safely used up to 1,000 wipes. Testing excludes wrist rest. See wipe manufacturer's instructions for disinfecting and the HP cleaning guide for HP tested wipe solutions at [How to Clean Your HP Device Whitepaper](https://h20195.www2.hp.com/v2/GetDocument.aspx?docname=4AA7-7610ENW) (<https://h20195.www2.hp.com/v2/GetDocument.aspx?docname=4AA7-7610ENW>)

Specifications

Minimum dimensions (W x D x H)	398.77 x 233.57 x 39.2 mm (keyboard); 117.2 x 87.05 x 13.9 mm (numpad)
Minimum dimensions (W x D x H)	15.7 x 9.2 x 1.54 in (keyboard); 4.61 x 3.43 x 0.55 in (numpad)
Weight	926 g (keyboard); 73 g (numpad)
Weight	2.04 lb (keyboard); 0.16 lb (numpad)
Package dimensions (W x D x H)	270 x 440 x 64 mm
Package weight	1680 g
Battery life	Up to 6 months (numpad); Up to 24 months (keyboard, LEDs off) ^[2]
Sustainable impact specifications	FSC Certified Packaging; 60% post-consumer recycled plastic; Packaging is recyclable
Minimum System Requirements	USB Type-A port; Bluetooth®

Technology logo 2	https://h10003.www1.hp.com/digmedialib/prodimg/lowres/c08737466.jpg

UNSPSC code	43211706
Wireless range	Up to 10 m in open area ^[1]
Wireless range (imperial)	Up to 32.81 ft in open area

[1] Wireless range may vary based on user environmental and computing conditions.

[2] Battery life is an estimate and varies depending on many factors, including number of active, idle and asleep hours of use, number of applications running, environmental conditions and features used; actual battery life will vary with usage and environmental condition. The maximum capacity of battery will naturally decrease with time and usage. Keyboard has up to 24-month battery life, and numpad has up to 6-month battery life.

[3] Requires HP Accessory Center (HPAC) Software. HPAC available for free download in Microsoft Store.

[4] MacOS, Chrome devices are compatible with limited features.

[5] HP includes a one-year limited warranty with online support available 24x7. Consult the HP Customer Support Center for details, or go to www.hp.com/go/orderdocuments. Internet access required and not included.

[8] Copilot in Windows requires Windows 11. Some features require an NPU. Timing of feature delivery and availability varies by market and device. Requires Microsoft account to log in. Where Microsoft in Windows is not available, the Copilot key will lead to the Bing search engine. See <http://aka.ms/WindowsAIFeatures>

[9] The dictation feature is provided by Windows and macOS and is currently available only in select languages and geographies.
