

COMMERCIAL DISPLAY ACCESSORIES

LD-STND-009

Key Features

- Sleek and slim aluminum alloy design
- Quick and easy installation
- Braked swivel casters for secured mobility

Product Description

The LD-STND-009 is an aluminum alloy floor stand designed for the ViewSonic All-in-One Direct View LED Displays (LDM136-151, LDM163-182). With its sleek and slim design, it presents a minimalistic aesthetic that seamlessly integrates into modern interiors. This robust and durable floor stand allows for easy mounting of the LED display, while the braked swivel casters provide both mobility and a secure stationary state.
