

# LINK® CART

Keep laptops secure, charged and up to date. This rugged Link® Cart is equipped with Ethernet cables, dedicated space for a rack-mount network switch, and two fans for cooling making it easy for IT administrators to push updates to all devices simultaneously.

*Link® Cart shown in Charcoal (CK)*

## NETWORK READY

Designed to house a 19 in. network switch and equipped to connect for IT updates to devices.

## READY TO USE

The Link® Cart comes fully assembled and wired ready to load devices.

## SIZE MATTERS

Optimized space designed for up to 32 laptops. The front-loading configuration can hold up to 32 devices. Includes two fans to prevent device overheating.

## BUILT TO LAST

Each unit is fully welded. Designed and built in the USA.

## YOUR PRODUCT. YOUR IDENTITY.

Choose from one of our 16 colors and personalize by branding with your own logo.

**TEMPERATURE MANAGEMENT** | Two built in cooling fans help to keep devices from overheating.

**EASY ACCESS** | Rear doors provide easy access to networking and cabling area.

**INTELLIGENT POWER** | Power manager continuously analyzes device power requirements, concentrating on devices that require power the most.

**INDUSTRIAL GRADE** | 5 in. wheels with both directional and brake locking casters, for ultimate maneuverability.

**SECURITY** | Secure devices with two 3-point locking doors and durable padlock included with the cart.

**AVAILABLE PRE-WIRED** | Save time with pre-wired 65W USB-C power adapters.
