dvLED Video Wall Integration

---

The logo features a stylized graphic of a globe or sphere composed of white and grey squares, transitioning into a red and blue abstract shape. Below the graphic, the word "SEAMLESS" is written in a large, white, sans-serif font. Underneath "SEAMLESS", the word "BY" is written in a smaller, blue, sans-serif font. At the bottom, "peerless-AV" is written in a white, sans-serif font with a registered trademark symbol (®).

With over 80 years of audio visual experience, our commitment to the creation of cutting-edge technology & standard-setting solutions has elevated us to the status of the industry's most innovative leader. Our Dedicated SEAMLESS dvLED Solutions Team sets the bar for high quality design, while achieving the pinnacle of aesthetic results. Our dynamic group of dvLED professionals include structural & mechanical engineers, product managers, project managers, installers, as well as sales & service personnel. The entire Peerless-AV® dvLED Solutions Team is there every step of the way to ensure every customer receives SEAMLESS product support & service.

# SEAMLESS

## dvLED Video Wall Integration - From start to finish.

The Peerless-AV® SEAMLESS dvLED Solutions Team can solve even the most complex design & technology integration challenges to create an ideal solution for any unique application.

### EXPERT ENGINEERING & DESIGN

Our experienced custom engineers & support staff work in a think-tank style environment, creating new & effective solutions specific to your needs.

## **CUSTOM PROJECT MANAGERS**

We provide a single point of contact, from the SEAMLESS dvLED Solutions Team, who oversees the project every step of the way, ensuring an ideal solution & timely delivery of your custom dvLED video wall solution.

## **FULL INSTALLATION SERVICES**

When we say that we are there every step of the way, we mean it. Our SEAMLESS dvLED Solutions Team supports the installation, maintenance, troubleshooting, & even post-installation services.

## **SEAMLESS dvLED MOUNTING SYSTEMS**

Our SEAMLESS dvLED Solutions Team exceeds industry standards, while achieving the pinnacle of aesthetic results.

Choose between our Kitted and Bespoke Series dvLED Mounting Systems.

## Universal dvLED Mounting System

*\*Universal spacer (DS-LEDUNVSPACER) is included with the preconfigured models only, sold separately with the 1:1 models.*

**DS-LEDUNV Models**

- Universal design is compatible with the majority of latching dvLED displays
- X, Y and Z axis adjustment creates a seamless video wall by enabling the mount to overcome wall imperfections
- Height adjustable wall plate provides macro adjustment to overcome installation irregularities (+1/8", -3/8")
- Quick-connect clamps allow installers to quickly and easily attach the displays to the mount frame
- Patent-pending universal spacer\* precisely spaces the horizontal extrusion for either landscape or portrait cabinet orientation. Also includes built-in calipers for measuring uncommon cabinet sizes
- 1:1 and preconfigured models ensure the right solution is available to meet your needs
- Condensed packaging reduces environmental impact, shipping costs, and warehouse space when storing

### ACCESSORY:

**SEAMLESS Universal Trim Kit for dvLED Video Walls 3.9" to 6.3" deep (DS-LEDTK)**  
Covers the unsightly sides of dvLED displays and gives the video wall a completely finished appearance.

The SEAMLESS Kitted Universal Mounting System is compatible with the majority of latching dvLED displays & features a slim, space-saving & versatile design, unlike any other solution on the market.

### Compatible dvLED Display Brands\*

**Abgen**

**AOTO**

**BARCO**

**CHRISTIE**

**INFILED**

**LEYARD**

**MAXHUB**

**PHILIPS**

**PLANAR**

\*Please visit the product webpage, or contact a Peerless-AV® Sales Representative, for the current list of compatible latching dvLED display models.

## SEAMLESS **KITTED**

Dedicated, Flat dvLED Mounting Systems

**DS-LEDLSAA-5x5 shown**

- Height adjustment overcomes installation irregularities to assure the dvLED pixels are aligned
- Integrated depth adjustment allows the entire mount to create one flat plane, regardless of wall imperfections
- Lightweight aluminum frame is easy to install and minimizes the wall load
- Predetermined adaptor rail locations speed up the assembly
- Modular design offers unlimited video wall display configurations
- Tight tolerances and wall plate spacers assure the cabinets are properly positioned

The SEAMLESS Kitted Series dvLED Mounting Systems offer slim, space-saving & aesthetically appealing designs that can be adapted to support all of your dvLED video wall needs.

**DS-LEDTK Models**

## SEAMLESS

Universal Trim Kit For Direct View LED Display Video Walls 3.9" to 6.3" Deep

Perfect your next dvLED video wall installation by adding the Peerless-AV® SEAMLESS Universal Trim Kit.

This sleek accessory is designed to cover the unsightly sides of dvLED displays and give the video wall a completely finished appearance. The Trim Kit's universal and depth adjustable design attaches to the wall, allowing it to go all the way around the border of any video wall that is 3.9" to 6.3" deep.
