Latitude 7350 Detachable Active Pen - PN7350A

Keyboard and pen may be sold together or separately. Availability may differ by region.

Latitude 7350 Detachable Collaboration Keyboard

Wrapped in elegant faux suede and a professional River color, the redesigned keyboard is both stylish and sturdy.

Customized ecosystem to enhance your experience

Maximize your productivity and efficiency on the Latitude 7350 Detachable (sold separately) with a low-profile keyboard and pen:

- The Latitude 7350 Detachable Collaboration Keyboard magnetically attaches to your tablet for easy typing.
- Enjoy a smooth writing experience on your tablet with the Latitude 7350 Detachable Active Pen - PN7350A.

Work efficiently

- Powerful backlighting highlights keys for easy visibility.
- Spill resistance protects your keyboard from food and drink
- Precision clickpad is 24% larger than the prior generation[1], so you'll have plenty of room for productivity.

Enhance your productivity and collaboration

- Critical Microsoft Teams (for work and school) and Zoom[2] conferencing controls are at your fingertips with the Collaboration Touchpad.
- Effortlessly jumpstart your workflow with the Copilot Hardware Key[3] on the keyboard, saving you time by providing quick access to the tools you need to start your workday.

Intentionally designed to lower environmental impact[5]

The Latitude 7350 Detachable Collaboration Keyboard is made with 9% recycled content by weight, including:

- 80% recycled content on the keyboard scissors
- 75% recycled content on the keycaps
- 80% recycled content on the keyboard membrane
- 100% recycled content on backlit masking

The Latitude 7350 Detachable Active Pen - PN7350A

- Enjoy a smooth writing experience and easily take notes, draw, and markup documents.
- Magnetically attaches to the Latitude 7350 Detachable Collaboration Keyboard's pen garage where it can quickly reach full charge in 30 seconds[4]. The active pen can also be securely stored in the pen garage.
- Available in a stylish and professional River color.
- Press a button to connect with Wacom Active ES technology (AES) 1.0 and Windows Ink Workspace.
