

Hospeco® Evogen® Tri-Vend High Capacity No-Touch Menstrual Care Product Dispenser, 1/ea - White

The Evogen® Tri-Vend High-Capacity No-Touch Menstrual Care Product Dispenser provides three solutions at once. First, the one-of-a-kind dispenser improves comfort and convenience for patrons with greater product choice and an inviting, hands-free experience; second the unit allows staff to spend less time stocking product; and, finally, the modern, hands-free dispensing action helps prevent the spread of germs and illness by eliminating yet another contact point in the restroom. This innovative, high-capacity dispenser takes public restroom hygiene and convenience to the next level by vending tampons and pads to guests, free of charge. The dispenser has capacity to hold 36 pads and 50 tampons at the same time. Pads can be 36 of the same kind or 18 each of two different kinds, for added customer choice. Product vends when patrons present their hand in front of the sensor. When the sensor has engaged, the dispensing area alights with purple glow providing a comfortable assurance the dispensing process has begun.

Key Features

- Designed to reduce the spread of germs and illnesses in public restrooms
- Dispenses both pads and tampons, free of charge
- Increased capacity cuts down on service time for maintenance staff, translating into cost savings and efficiency
- The touch-free feature contributes to creating a more upscale atmosphere by enhancing guests' overall comfort and experience
- Dispenser requires (4) C batteries (not included)
- US Patent Number 11,141,328
- Free Scensibles® Disposal Bag Dispenser and (1) refill pack now comes standard in specially marked cartons
- Scensibles® Dispenser and Refill Pack mounts easily on the side of the dispenser
- Vendor cartons including the Scensibles® Dispenser and Refill Pack are specially marked with a QR code that links to installation video
