## Overview

### Innovative design and real power for real work

Break barriers with the highly secure, ultra-light, and responsibly crafted HP Elite x360 1040 enhanced by AI. This PC dynamically anticipates and adjusts settings for power, audio, and video features to deliver the performance, comfort, and battery life today's business leaders need.

### Power and elegance in one

Embrace the power of AI features in the redesigned HP Elite x360 1040 with HP Smart Sense.[3]

### Protected by HP Wolf Security

HP Wolf Pro Security Edition PCs interlace HP Sure Click Pro with HP Sure Sense Pro providing more in-depth coverage than the standard versions through a 1-year or 3-year user license with HP Support.[6] This creates a powerful, single solution that doesn't require an IT-managed PC environment.

### AI-driven audio and video

Look and sound your best with a 5MP IR camera, automatic framing[5], and Dynamic Voice Leveling.[4]

### Help protect our shared future

70-percent of major parts on this PC contain recycled materials like fishing net in the keyboard.[7]
