

HyperX Cloud Mini - Gaming Headset (Multi) (7G8F3AA)

Designed for growing gamers.

The HyperX Cloud Mini is a comfortable wireless headset built for upcoming gamers. Recommended for ages 8-12, it's lightweight and appropriately sized for younger gamers, and more importantly, it's designed to keep audio levels below 85dB*. With up to 25 hours of battery life, it's perfect for flights, or gaming sessions[2]. Easy pairing over Bluetooth provides wireless freedom which means you won't have to worry about cable snags and clutter. It features a clear, flip-

Volume level below 85 dB

Cloud Mini Wireless helps keep audio below 85dB over Bluetooth, and when used with most devices. Helps with ear comfort as younger gamers develop their love for gaming[3].

Immersive audio

Whether you're gaming, watching content, or listening to music, enjoy high-quality, immersive audio delivered through 30 mm drivers.

Durable tuck-away microphone with flip-to-mute

The flip-to-mute feature makes muting the microphone easy when chatting with friends and teammates. You can also tuck the mic away when it's not in use.
