SEAMLESS KITTED™

Solutions for  LG LAEC

[View Infographic: Everything You Need to Know \[Ideas, Templates & Examples\]](#)

The SEAMLESS Kitted+ Series is an adaptable range of substructures for the SEAMLESS Kitted Series dvLED Mounting System. For any application where mounting directly to a wall is not an option, the Kitted+ Series offers a choice of substructure categories – Free Standing / Mobile Trolley / Bolt Down / Floor-to-Wall / Floor-to-Ceiling – to safely support the total load of a all-in-one display. Kitted+ series offers a slim, space saving design and facilitates a quick and easy dvLED video wall installation for any corporate reception, retail display, hospitality venue, showroom, event or entertainment setting.

## LG LAEC Series 136" & 165"

### LG LED All-in-One Smart Series

- **All-in-One LED Screen with Built-in Speaker**

Eliminating the prejudice that LED displays are difficult and complex to install, it doesn't require controller connections or module configuration.

- **Quick Maintenance**

In case of failure related to the LED module or the system board, it can be serviced from the front. The LED module can be simply detached by the provided magnetic tool and replaced quickly without cabling.

- **Easy Installation**

The installation process of the All-in-One Smart series is very simple. After securing two cabinets which are included in the flight kit, attach each LED display module to them. This simple installation saves time and labor.

- **Simple Power Connection**

The LAEC series is operated with a single or double AC cable without the need for a complicated power connection and enables neat installation.

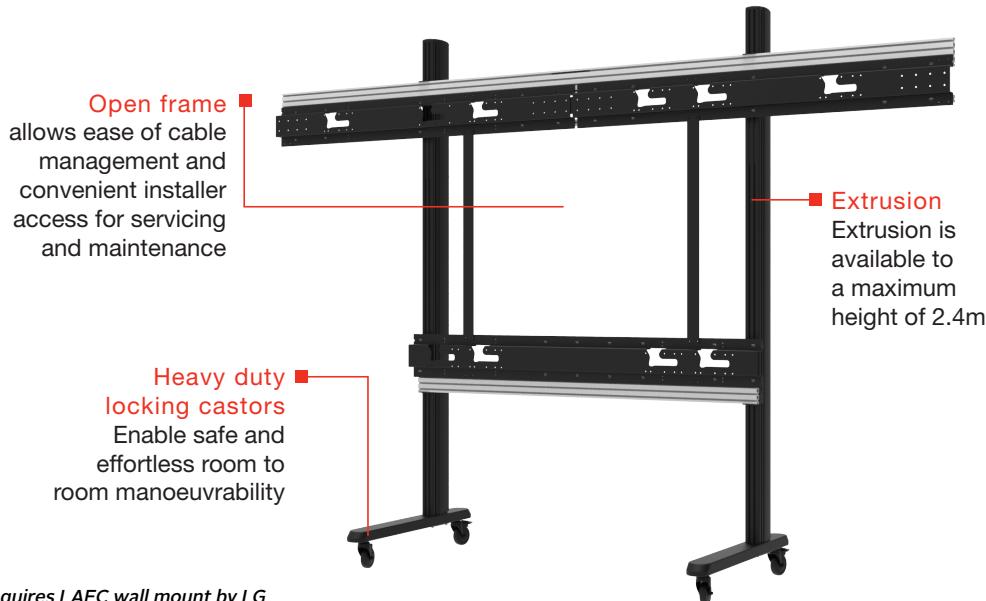

# SEAMLESS KITTED<sup>+</sup>

- Adaptable, kitted solution for installations where mounting direct to a wall is not an option
- Slim, space saving design fits neatly in any installation environment
- Integrated cable management in concealed channels provides a clean, clutter-free appearance
- Lightweight aluminium frame makes shipping, handling and installation easier
- Anodised aluminium finish for a durable, decorative appearance
- Compatible with all Kitted Series mounts, offering peace of mind when designing solutions or if project specs change
