

# HP LaserJet M207dw-M209d Printer series

Reliable, high-performance black-and-white two-sided printing in an award-winning compact design.<sup>2</sup>

Increase productivity with this high-performance black-and-white printer in an award-winning compact design.<sup>2</sup> Experience the fastest two-sided printing in class<sup>6</sup> and reliable Wi-Fi with self-reset,<sup>7, 11</sup> plus simplified setup and time-saving features with the HP app.<sup>1,3</sup>

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: <http://www.hp.com/learn/ds>
