

OTTERBOX DEFENDER SERIES PRO | Google Pixel 9/9 Pro

LONG DESCRIPTION:

For protection you can depend on, trust Defender Series Pro — the original **rugged phone case**. Featuring an antimicrobial additive, it helps defend the case exterior against many common bacteria. Multi-layer construction guards your device from serious drops, scrapes and bumps. The rubber outer cover provides extra grip and absorbs impact while the rigid inner shell offers a second layer of protection. The included holster does double duty as a belt clip or hands-free kickstand. Defender Series Pro provides the reliability you need to defend your everyday.

FEATURES

- DROP+ | 5X as many drops as military standard (MIL-STD-810G 516.6)
- Lasting antimicrobial properties to protect the case*
- Multi-layer defense features a rubber outer cover for better grip and impact absorption while the rigid inner shell offers extra protection
- Port covers block dust and dirt
- Bumpers around the camera protect against hard hits
- Screen lip keeps display hovering safely off surfaces
- Holster clips to bags and packs / Kickstand for hands-free viewing
- Wireless charging compatible
- Works with OtterBox screen protectors
- Made with more than 50% recycled plastic
- Fully compatible with 5G networks
- Limited lifetime warranty and hassle-free customer service

*Helps protect the case exterior against many common bacteria. It does not protect you or the screen

LONG DESCRIPTION:

For protection you can rely on, trust Defender Series — the original **durable phone case**. Multi-layer construction guards your device from serious drops, scrapes and bumps. The rubber outer cover provides extra grip. When drops happen, that same high-quality rubber absorbs impact while the rigid inner shell offers a second layer of protection. Wireless compatibility makes it easy to keep your device at full power. The included holster does double duty as a belt clip or hands-free kickstand. The Defender Series works hard and plays harder with a rugged design that's ready for anything.

FEATURES

- DROP+ | 5X as many drops as military standard (MIL-STD-810G 516.6)
- Multi-layer defense features a rubber outer cover for better grip and impact absorption while the rigid inner shell offers extra protection
- Durable rubber outer cover provides drop-resistant grip
- Port covers block dust and dirt
- Bumpers around the camera protect against hard hits
- Screen lip keeps display hovering safely off surfaces
- Holster clips to bags and packs / Kickstand for hands-free viewing
- Wireless charging compatible
- Works with OtterBox screen protectors
- Made with more than 50% recycled plastic
- Fully compatible with 5G networks
- Limited lifetime warranty and hassle-free customer service

CUSTOMER KEYWORD SUGGESTIONS:

LONG DESCRIPTION:

Safeguard your screen and our environment with Premium PolyArmor Eco. Greater than glass, this NOVELISTS screen protector withstands shock without shattering. Under its protection, your display gets advanced scratch resilience with a texture that's glassy, so every touch feels true. Plus, more than 60% of your Premium PolyArmor Eco is made from recycled material, curbing its planetary impact while boosting your screen's impact defenses. Fingerprints don't stick, so your view stays crystal clear. And after you've used the easy install kit to put it on, your phone works with your case.

FEATURES:

- Because it's not glass, it absorbs shock with no chance of shattering
- Provides an extra layer of durability against daily damage
- Made with more than 60% recycled material for less impact
- Delivers advanced scratch protection across your screen
- Textured to feel like glass for true touch response
- Specially designed to resist fingerprints for vivid clarity
- Comes with everything you need for an easy install experience
- [OEM] certified through lab testing to properly fit and function
- Hassle-free replacement for the life of your product
