BT8850DSP

SOUND STAGE PRO WIRELESS PORTABLE SPEAKER

35W Loud

Digital Signal Processing

Up to 20 Hours of Playtime

Waterproof Dustproof

Built-in Microphone

True Wireless Pairing

35 Watts Loud

The SOUNDSTAGE PRO is driven by a racetrack-shaped bass driver, two tweeters, and two passive radiators. This combination ensures rich, deep bass, clear mids, and crisp highs for a full, immersive sound experience.

Enhanced Sound with DSP

The SOUNDSTAGE PRO features a dedicated DSP chip that enhances sound quality by optimizing audio performance. Enjoy a more balanced and refined listening experience with precise sound adjustments.

20 Hour Playtime

Equipped with dual 2900mAh batteries, the SOUNDSTAGE PRO offers up to 20 hours of playtime on a single charge. Enjoy your music all day and night without worrying about recharging.

IP67 Waterproof & Dustproof

Built to withstand the elements, making it fully waterproof and dustproof. Whether you're at the beach, by the pool, or on a rugged adventure, your SOUNDSTAGE PRO speaker is protected and ready to deliver great sound wherever you go.

Dynamic LED Light Show

The SOUNDSTAGE PRO features vibrant LED lights on its dual passive radiators, which pulse and change colors in sync with your music. Adds an exciting visual element to your listening experience, perfect for parties and gatherings.
