# USB-C Multi OS Scissor Switch Keyboard With CoPilot Ai Hotkey And USB-C, USB-A, 3.5mm Aux Ports.

The Adesso Full Sized Keyboard (AKB-730) is a sleek and modern designed keyboard that has scissor switches and a multi OS layout that also includes, a CoPilot Ai hotkey, USB-C, USB-A, and 3.5mm Aux ports, built to make handling your daily computer tasks easier. The scissor key switches provide a more quiet, tactile and snappy response when typing.

## CoPilot Ai Hotkey

The Copilot AI hotkey on your keyboard provides instant access to an advanced AI assistant designed to assist you in various tasks. Simply press the designated hotkey, and Copilot AI will be ready to generate code, provide creative suggestions, or assist you with language-related tasks. It's your quick and efficient way to harness the power of AI right at your fingertips.

## Multi-Device and Multi OS

This wired USB-C keyboard offers the freedom to use your keyboard with Windows ,Mac & Android systems and easily switch between them. Universal Compatibility to connect all the devices without the need for additional drivers or software.

## Scissor Switches

The Adesso AKB-730 delivers a smooth and responsive typing experience with its scissor switch technology that requires less key travel distance and less force to press keys making it more comfortable for prolonged typing sessions.

## USB-C

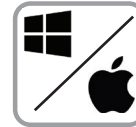

This sleek and modern keyboard is designed with a USB-C connection, making it compatible with a wide range of devices, including laptops/notebooks, tablets, and smart phones.

## USB-C, USB-A, 3.5mm Ports

Equipped with a USB-C, USB-A, 3.5mm Aux ports that offer versatile connectivity. This feature enhances the keyboards functionality by enabling convenient audio and peripherals connectivity.
