

4XEM USB-C 4-port 10 Gbps USB-C and USB-A Data Hub – TAA

4XEM Part- 4XUSBCHUB2A2CTAA

The 4XEM USB-C 4-Port 10 Gbps USB-C and USB-A Data Hub offers advanced connectivity, complying with USB 3.2 Gen 2 standards and delivering blazing-fast data transfer rates up to 10 Gbps. This hub features two USB 3.2 Type-A and two USB 3.2 Type-C female ports, providing versatile options for modern devices. Its bus-powered design eliminates the need for an external power source, drawing a total power budget of 15W from the host device.

Compatible with multiple operating systems, this hub offers seamless plug-and-play functionality, making it ideal for various devices. The sturdy aluminum construction, lightweight, and compact design ensure easy portability, while the direct-attached USB-C male connector ensures a secure connection.

**Certified TAA compliant**

## Features:

- Supports data transfer speeds up to 10 Gbps – USB 3.2 Gen 2
- 4 USB Ports - 2x USB 3.2 Type-A, 2x USB 3.2 Type-C
- No external power source required
- OS Independent works with various operating systems
- Compact & Lightweight
- TAA Compliant
- Durable Design
- 1-Year Warranty

## Applications:

- **High-Speed Data Transfer:** Perfect for transferring large files, photos, and videos quickly with 10 Gbps speeds, ideal for professionals working in media, design, and tech.
- **Multi-Device Connectivity:** Connect multiple peripherals such as keyboards, mice, external drives, and smartphones simultaneously—ideal for office setups, remote workstations, or classrooms.
- **Portable & Lightweight:** The compact aluminum design makes it easy to carry in travel bags, perfect for business travelers, students, and remote workers needing on-the-go connectivity.
- **Universal Compatibility:** Works across various operating systems, making it suitable for mixed environments like schools, offices, or conference rooms with diverse devices.
- **Government & Institutional Use:** TAA compliance ensures it meets the strict requirements for government or institutional purchases, making it ideal for public sector, healthcare, and educational organizations.
