

PORTÉGÉ® X30L-M

PQU10U-ODV00V

OUR LIGHTEST PREMIUM AI LAPTOP EVER!

At just 855 grams, this hyperlight-weight 13-inch, premium performance laptop delivers incredibly high-performance on-the-go computing without weighing you down.

PERFORMANCE & PRODUCTIVITY IN HARMONY

The Portégé X30L-M delivers exceptional performance with Intel® Core™ Ultra processors (Series 1), Intel® Arc® graphics, Windows 11 Pro, up to 64GB LPDDR5x memory, and up to 2TB SSD storage.

YOUR PRODUCTIVITY WINGMAN

Microsoft Copilot, accessible via a dedicated key, streamlines tasks, like launching apps and adjusting system settings, through voice or text commands, enhancing efficiency and device navigation.

A TOUGH BUT FEATHERLIGHT CHASSIS

With a hyperlightweight magnesium alloy chassis meeting MIL-STD-810H durability standards, the Portégé® X30L-M weighs under 2 pounds and packs a new 16:10 display, backlit keyboard, and large ClickPad.

AI-ENHANCED FEATURES

Maximize productivity with an AI-powered webcam that keeps your face in frame and eye contact on the viewers, AI-enhanced near and far-end noise reduction, and AI-enhanced battery management.

VIVID VISUALS AND SUPERIOR SOUND

The 13.3-inch 16:10 display provides more space for multitasking, while the upgraded DTS-enhanced speakers deliver superior audio quality for remote collaboration and media consumption.

SECURITY TAKEN SERIOUSLY

Featuring a secure mix of hardware, firmware, software and identity protection technologies, the Portégé® X30L-M is suitable for mission critical users in even the most data-sensitive industries.

Laptops That Defend Against Cyber Threats

Dynabook's Windows 11 Secured-core PC laptops offer advanced security by integrating robust hardware and software defenses into their core components. These laptops provide a fortified shield against sophisticated cyber threats, employing specialized hardware protections and firmware safeguards. They ensure unparalleled security from boot-up, defending against malware and firmware attacks to safeguard critical data and uphold the integrity of business operations.
