

# Poly Voyager Legend 30 Headset (AV4P5AA)

## Overview

### Clear calls — indoors and out.

Enjoy crystal clear calls, anywhere. This headset combines exceptional voice clarity with an all-day wear ergonomic design. Simply connect it to your preferred device and enjoy noise-reducing technology wherever you go.

### Yes, everyone can hear you

Stay connected and sound professional no matter the location. Your voice shines through — clear and consistently — whether you're in a bustling café or outdoors with a breeze. Enjoy high-quality calls wherever work takes you.

### Freedom to connect on the go

Navigate through your day effortlessly with a flexible and versatile headset. Whether you're heading to a meeting or tackling tasks at home, easily manage calls with on-headset controls and smart sensors.

### The comfort you deserve

Designed for all-day wear, this headset features an ergonomic design that wraps you in comfort with a secure fit so you can stay focused on your conversations — even in the busiest environments.

# Features

## Be heard above the chaos

Important calls can happen anywhere. Make sure your voice is always heard, even when your surroundings get loud, with an aerodynamic boom and 4 noise-canceling microphones.

## Years of innovation for everyday comfort

Built to keep up with your busiest days, this legendary headset features a modern look-and-feel, an ergonomic ear loop, and 3 earbud sizes for a better and more secure fit. So comfortable, you'll forget you're wearing it.

## Smart controls for easy calls

Manage your calls effortlessly. Smart sensors on the headset answer calls when you put it on and turns on mute when you remove it. Enjoy the freedom to stay engaged in your tasks while staying connected to what matters most.

## Take the call anywhere

Six layers of our unique WindSmart technology detect wind direction and respond accordingly so your voice comes through clearly especially outdoors.

## Tuned in to the world around you

Stay connected to your calls while remaining aware of your surroundings. The mono design of this headset keeps one ear free, allowing you to stay engaged with what's happening around you — whether you're in a busy office or on the go.

## Simple and easy button controls

A legendary design that keeps things simple. Easy-to-find buttons let you control your calls: adjust the volume, mute yourself, even answer and end calls — all right at your fingertips. No fumbling, no hassle, just clear communication.
