Product Title:

CLX SET Gaming Desktop - Liquid Cooled Intel Core Ultra 9 285K 3.7GHz 24-Core Processor, 360mm AIO, 64GB DDR5 5600MHz Memory, GeForce RTX 5070 12GB GDDR7 Graphics, 2TB NVMe M.2 SSD, 4TB HDD, WiFi, Windows 11 Home 64-bit

Product Description:

Discover the ultimate gaming experience with this CLX Set desktop gaming PC. Engineered for exceptional performance, this system features the 24-core Intel Core Ultra 285K processor with a 360mm CLX Quench AIO liquid cooling system ensuring efficient temperature control at all times, whether during AAA game play or even demanding design and editing sessions. This powerhouse doesn't disappoint, as it has a GeForce RTX 5070 graphics card included, with 12GB of GDDR7 dedicated memory, AI technology that delivers Multi Frame Generation, and realism from powerful ray tracing of the NVIDIA Blackwell architecture, and neural rendering, you will enjoy stunning visuals, even at 4K or 8K! Top that all off with an amazing 64GB of DDR5 5600MHz memory, a 2TB NVMe M.2 SSD, and a 4TB Hard Drive, and this desktop delivers a truly elite gaming experience. And of course it looks good too, built within the amazing CLX Obelisk mid-tower chassis in stunning white, with quiet RGB fans that can be set to your color of choice to match your gaming mood. Network capabilities include both wired and WiFi, plus enjoy the benefit of having Windows 11 Home preinstalled for a seamless setup. Hand-crafted in the USA with precision and backed by industry-leading support, this CLX Set desktop PC ensures reliability and performance for discerning gamers. Experience a legend - order your CLX SET now!

Product Features:

- Supreme Speed: Harness the raw power of the Intel Core Ultra 9 285K processor to conquer the latest games effortlessly and seamlessly handle multiple tasks with ease.
- Surrender to Visual Brilliance: Indulge in breathtaking graphics powered by the GeForce RTX 5070 GPU, offering unrivaled realism and captivating visuals for an immersive gaming journey.
- Revolutionize Your Storage and Memory: Transform your gaming experience with the CLX Set Gaming PC's 2TB NVMe M.2 SSD and 4TB HDD, and 64GB DDR5 Memory, delivering lightning-fast storage and memory for next-level gaming.
- Stay Connected Everywhere: Effortlessly maintain connectivity with built-in WiFi or indulge in lag-free gaming via wired network connectivity on your CLX Set PC.
- Crafted to Perfection: From design to assembly, the CLX Set Gaming PC exemplifies perfection, offering reliability and performance that exceed industry standards, backed by top-notch support.
