Product Title:

CLX Horus Gaming Desktop - Liquid Cooled AMD Ryzen 7 9800X3D 4.7GHz 8-Core Processor, 64GB DDR5 Memory, GeForce RTX 5070 Ti 16GB GDDR7 Graphics, 2TB SSD, 6TB HDD, WiFi, Topography HD Print Black mid-tower, Windows 11 Home 64-bit

Product Description:

Prepare to redefine your gaming reality with this stunning CLX Horus Gaming Desktop. This awesome system comes in a Special Edition CLX Topography HD Print mid-tower chassis that's sure to impress, but the quantum leap in performance will blow you away! At its core, a CLX Quench liquid-cooled AMD Ryzen 7 9800X3D 4.7GHz 8-Core processor reigns supreme, a digital titan capable of conquering any computational challenge or AAA gaming title. This raw power is combined with the new 50-Series GeForce RTX 5070 Ti 16GB GDDR7 graphics card, a masterpiece of engineering that transforms gaming into an immersive, hyper-realistic experience. Every frame is a canvas painted with astonishing detail and perfection. To fuel this relentless powerhouse, we've equipped this CLX Horus with a staggering 64GB of DDR5 memory, ensuring seamless multitasking and lightning-fast application launches. The included 2TB NVMe M.2 SSD alleviates the agony of slow loading screens, propelling you directly into the heart of the action, while the 6TB Hard Drive provides more than ample storage for games, videos, applications and more. High-speed wired and wireless connectivity options keep you firmly connected to the digital battlefield, ensuring every victory. Crafted with an obsessive attention to detail and built with premium components, this CLX Horus is more than a machine; it's a testament to a relentless pursuit of excellence.

Product Features:

- Supreme Speed: Harness the raw power of the Liquid-cooled AMD Ryzen 7 9800X3D processor to conquer the latest games effortlessly and seamlessly handle multiple tasks with ease.
- Surrender to Visual Brilliance: Indulge in breathtaking graphics powered by the GeForce RTX 5070 Ti GPU, offering unrivaled realism and captivating visuals for an immersive gaming journey.
- Superpower Your Storage and Memory: Unleash the potential of the CLX Horus Gaming PC's 2TB NVMe M.2 SSD and 6TB HDD, and 64GB of DDR5 Memory, optimizing your storage and memory for ultimate gaming performance.
- Seamlessly Linked: Enjoy seamless connectivity on your CLX Horus PC with built-in WiFi and wired network support, providing uninterrupted gaming experiences wherever you play.
- Superior Quality: Experience excellence in every detail with the CLX Horus Gaming PC, precision crafted for reliability and performance that sets the standard, backed by industry-leading support.
