**ULTIMATE COMFORT WITH  
INDUSTRY-LEADING  
LIGHTWEIGHT DESIGN**

The HA-S75N, JVC's lightest noise cancelling model at 184 grams, is designed with a lightweight plastic band slider and hexagonal-cut honeycomb ribs for reduced weight while maintaining structural integrity.

**PREMIUM SOUND QUALITY**

Experience superior sound with a 36 mm driver and 3 audio modes – Normal, Bass, and Clear – tailored to your preferences. Customise your sound even more with the JVC app for an enhanced audio experience.

## WORK SMART, CONNECT SMARTER WITH MULTI-POINT CONNECTIVITY

Stay effortlessly connected with the built-in voice assistant, making hands-free control a breeze. And with the multi-point function, juggling between two devices has never been easier, whether you're balancing work calls or streaming your favourite playlist.

## FOLDABLE DESIGN

The flat foldable design and swivelling ear pads make these headphones incredibly portable and convenient to carry when not in use. Whether you're travelling, commuting, or simply on the move, the folding design of the HA-S75N ensures that you can take your headphones with you wherever you go without taking up much space. This feature makes them a practical choice for those who are constantly on the move.
