

# Streamline your setup with a secure, clutter- free workspace

Dell Pro Slim All-in-One Stand

MODEL: OSS25

**Maximize your work space with a versatile monitor stand that supports your Dell Pro Slim or Pro Max Slim desktop while keeping your desk organized and ergonomic.**

#### **Set up with ease**

Effortlessly deploy your fleet with Dell Quick Release that snaps on a Dell Pro Plus or UltraSharp monitor in seconds. Secure your setup with support for padlock and Kensington locks.

#### **Work without clutter**

Optimize your workspace with a slim-designed stand that features improved cable routing management, a cable cover and a retractable handle for easy transport.

#### **Adjust to your comfort**

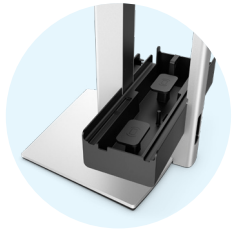

Fully adjustable for convenient, flexible viewing options, adjust height, tilt, swivel, and pivot your monitor to suit your viewing comfort.

# Clutter-free design for a more comfortable workspace

Work comfortably with the adjustable Dell Pro Slim All-in-One Stand with features that help enhance your productivity.

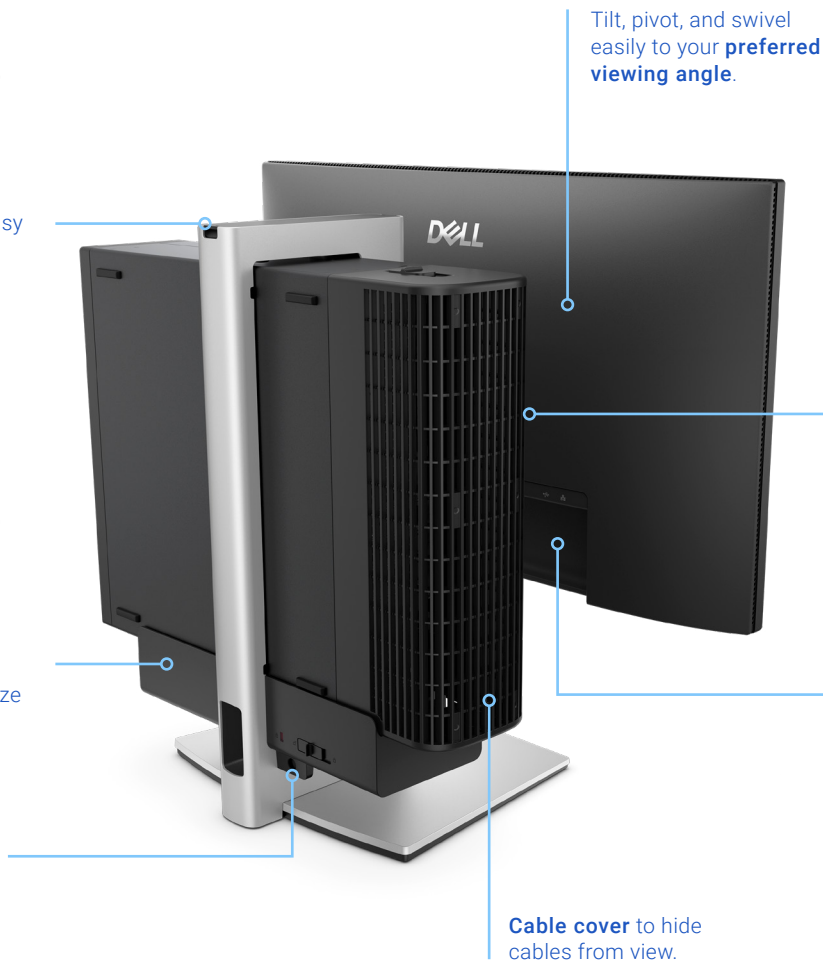

**Retractable handle** for easy transportation and setup.

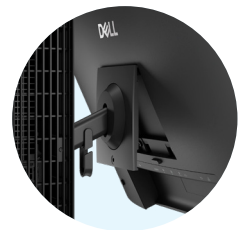

**Cable tray** designed for maximum space to organize cables inside the stand.

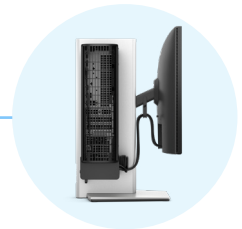

**Security latch** with support for padlock and Kensington lock.

Tilt, pivot, and swivel easily to your **preferred viewing angle**.

**Dell Quick Release** and VESA-supported mounting for **easy installation**.

**Cable routing holder** to organize cable externally.

**Cable cover** to hide cables from view.

Dell Pro Slim All-in-One Stand is made with up to **41.95% sustainable materials**.<sup>1</sup>

What's more, this stand ships in packaging materials made from **100% recycled or renewable materials**.<sup>2</sup>

The stand is **compatible with a wide range of monitor sizes** supporting select 19" to 27" Dell Pro, Pro Plus and UltraSharp monitors.

**3-Year Warranty**<sup>3</sup>

<sup>1</sup> Sustainable materials by total weight include PCR plastics (15.27%), PCR aluminum (21.95%) and PCR Steel (4.72%). Based on internal analysis, November 2024.

<sup>2</sup> 100% recycled or renewable materials on packaging include corrugated fiberboard, kraft paper, non-woven PET and molded paper pulp. Excludes optional items added to order and included in box. Based on internal analysis, November 2024.
