Charging Cases & Cradles

KPCC (Protective Charging Case)

Elevate your smartphone's security and power with KPCC Protective Charging Cases. These cases not only shield your smartphone but also enable charging through charging cradle via pogo pins or USB-C port. Optionally, an included hand strap adds an extra layer of safety, reducing the risk of damage from accidental drops or falls. Available for Samsung Galaxy XCover7 and Apple iPhone 15 and 16 series.

KBCC (Charging Case w/ Extended Battery)

Stay charged anywhere with the KBCC Charging Case and Extended Battery. The KBCC incorporates a 5,000 mAh Extended Battery pack to ensure enduring power, even during the most demanding days. Enjoy lasting power and easy charging with built-in LED indicators and pogo pins or USB-C port. Available for Samsung Galaxy XCover7 and A35, and Apple iPhone 15 and 16 series.

KPCC/KBCC Charging Cradles

KOAMTAC Charging Cradles (1, 2, or 10-slot*) provide fast, secure charging for KPCC and KBCC cases, accommodating teams of any size. With 15W fast charging and pogo pin technology, they efficiently charge devices and batteries while minimizing port wear. These future-proof cradles scale with your business and simplify upgrading to KDC1000/1100 SmartSled scanners, reducing e-waste.

*10-slot configuration may have size limitations based on host device and companion choice. Contact us for details.
