

HYDRA2HDGB

HYDRA Elite Dual Monitor Arm

The HYDRA2HDGB monitor arm, expertly designed to securely hold dual displays weighing up to 20kg (44lbs) and measuring up to 49". With its innovative head-tilting spring mechanism, you can easily achieve precise and smooth tilt adjustments for optimal viewing angles. Built for both durability and visual appeal, this monitor arm comes in a sleek classic black finish. For your convenience, the top-side installation eliminates the hassle of under-desk access, making setup quick and effortless. Upgrade your workspace with the HYDRA2HDGB and experience enhanced productivity and style.
