

Charging Cradles

for Galaxy XCover7 Smartcase

Customized Charging Solutions for the Smartcase

Using a Smartcase with your XCover7? KOAMTAC designed charging solutions specifically for the XCover7 that do not require removing the Smartcase before charging. The cradles can be assembled in many configurations depending on your unique needs, such as additional charging slots for Extended Battery Packs or more device slots.

Charging Cradles

for Galaxy XCover7 Smartcase

Well-equipped

Charging Cradles designed for use with the XCover7 Smartcase come equipped with 15W fast charging capabilities and LED indicators for effortless monitoring. Security features include temperature detection, waterspout protection, and adaptive charging technology.

Versatile

The cradles are available in 1-slot, 2-slot, 5-slot, and 10-slot configurations, with options for charging Smartcase Extended Battery Packs. All cradles support simultaneous charging for XCover phones and Battery Packs, where applicable. Also compatible with Smartcase Belt Clip.

Secure & Convenient

The XCover7 can charge while remaining in the Smartcase, securely docking into the cradle and utilizing pogo pins for charging, which minimizes wear on device ports.

Upgradable & Future-proof

Our versatile spacer system ensures your investment remains secure, even with the release of the next-generation XCover phone. Simply replace the spacers, not the entire charging solution, resulting in less electronic and plastic waste.

Charging Cradle Details

LED Indicator	Weight
OFF: Power Off, Ready to charge	1-Slot: 0.56 lbs (245 g)
Green: Fully charged	2-Slot: 0.49 oz (223 g)
