Height Adjustable Standing Desk

- Single Motor
- 2-Stage

FlexiSpot

Flexispot Sit-Stand desks are designed to provide users with sit-stand flexibility. Our height-adjustable desks enable a user to effortlessly sit or stand, encouraging healthy movements throughout the day. The two-button up and down control panel manages a quiet, fast, tool-free, and seamless adjustment with just a touch. With a clean, universal aesthetic, the height adjustable desk is easily incorporated into any office or home environment.
