Finding the right size privacy screen for a new device can be a challenging and time-consuming task.

Simplify your search with the Kensington Privacy Screen Finder, streamlining the process of identifying the correct size for your new device.

EQ PRIVACY SCREEN FILTERS

- Sustainability Focused: Made with up to 54% post-consumer (PCR) content* and shipped in FSC® certified packaging.
- Limited Viewing Angle: Ideal for offices and public spaces, the filter features a limited viewing angle of $\pm 30^\circ$ to reduce the risk of visual data breaches.
- Simple to Install: Mount using frameless tab holders for quick removal, or double-sided tape for a cleaner more permanent setup.

*PCR calculation applies to the privacy screen component only; additional components (e.g., tabs, tape) are excluded.

SKU Number	Packaging & Label Description	Width (inches)	Height (inches)	Diagonal Size	Ratio	UPC Code
