

## Fusion® Large Wall 2X1 Modular Menu Board Mount **SKU: LWM2X1UM**

---

Designed for fast food restaurants, delis, and campus dining halls, Fusion® Modular Menu Board Wall Mounts deliver precise screen alignment and flexible positioning for digital menu board displays. The horizontal extrusion with depth adjustment ensures a clean, uniform look—even on uneven walls—while allowing easy access behind the displays for quick servicing. Compact modular components ship efficiently and install easily, making setup and stocking hassle-free.

### **Product Features:**

- Tilting interfaces allows between +0 and -20 degrees
- Tool-free screen engagement
- Landscape options for 2x1 configuration
- Accommodates most 40-55" displays; check compatibility for accessory needs
- Optional padlock security
- Full line of accessories that work across Fusion® wall, ceiling and freestanding lines
- Shorter, modular extrusions with installation connectors.
- Compact packaging fits on standard-sized pallets for easy shipping.

## Specifications
