Lenovo

Overview

Meet the headphone that never hits pause. With a massive 110-hour battery, the Lenovo Wireless Headphone 2000 powers your entire week, from deep-focus office sessions to breaktime escapes. Enjoy immersive, balanced audio via 40 mm drivers that bring every beat to life. Plus, switch between Bluetooth® and wired mode in a snap, ensuring you're always connected.

Target Audience

Practical User

Key Features

Powerful sound

Experience studio-quality depth with over-ear 40 mm drivers designed for crisp calls and rich bass. Whether you're wireless or plugged in via the 3.5 mm jack, your audio stays consistent, clear, and totally immersive.

Remarkable endurance

Go the distance with 110 hours of nonstop playback. This refined battery life gives you the confidence to tackle huge projects and long commutes without a single charge.

Comfortable fit

Soft-touch leatherette meets an ergonomic design for a fit that stays comfortable from your morning coffee to your evening wind-down. The plush over-ear padding ensures a secure, gentle seal that makes these headphones a pleasure to wear.
