

Custom designed to complement the MacBook Neo, the MAXCases Extreme Shell-F (ESF) boasts a minimalist design and the protective features you expect from MAXCases. Our patented slide-on top design eliminates pressure points for amped-up screen protection. Slim TPU bumpers safeguard sides while the subtle corner bump outs add protection for these vulnerable areas. Clear top and bottom panels keep the Neo free from scratches while the tough TPU bumpers protect against drop and impact damage.

Extreme Shell-F Case for MacBook Neo

Streamlined design plus added screen protection

Extreme Shell-F Case for MacBook Neo

Streamlined design plus added screen protection

KEY FEATURES

- Sleek, custom-fit and exclusive design for the MacBook Neo
- New dove-grey coloring ideally complements Neo silver, blush, citrus and indigo
- Patented slide-on top panel adds screen protection by evenly dispersing pressure around the perimeter of the screen
- Durable TPU bumpers deliver outstanding impact and drop protection
- Streamlined corner bump outs add protection for these vulnerable areas
- Clear polycarbonate (PC) top and bottom panels resist scratches and impact damage and provide visibility to asset tags
- Grippy, traction-enhancing feet resist sliding for added stability
- Provides easy access to all device functions
- Slide design enables fast, easy installation
- Refined surfaces are smooth and easy to wipe down
- Meets MIL-SPEC standard for drop tests
- Perfect-fit ballistic-glass screen protectors and keyboard protectors available for most devices, minimum quantities apply
- Custom colors, logos and MAXProtec antibacterial upgrade available with minimum quantity of 500 (additional fees apply)
