SMARTMOUNT®

Universal Ceiling Mounts

FOR 32" TO 90" DISPLAYS

The SmartMount® PLCM-UNL Universal Ceiling Mounts utilize 1.5" NPT extension pipes for versatility, support, and connection. The 1.5" NPT threaded pipes make it simple to customize each mount to your specific application. The PLCM-UNL kit combines the PLP-UNL Universal I-Shaped Adaptor plate, the PLCM-2 tilt box, and a 36" fixed length 1.5" NPT column. This combination delivers a drop of 36" for display mounting patterns of up to 600 x 400mm. When combined with a Peerless-AV® ceiling plate CMJ470 (PLCM-UNL-CP), it provides the perfect solution for flat panel ceiling mounting in sports facilities, airports, lobbies, or retail environments.

Mounting Pattern
Up to 600 x 400mm
(23.62" x 15.75")

Max load
150lb
(68.2kg)

- -5° to 20° adjustable tilt and 360° swivel
