Single AV Wall Shelf with Glass

ACCSH200

Front View

Peerless versatile AV Wall Shelf with Glass provides a simple and aesthetically pleasing solution for placing home entertainment components under the mounted flat panel. Able to support up to 30 pounds of weight while being mounted on a single stud, the shelf is immensely functional without sacrificing style. This AV Wall Shelf provides ample storage in a stylish setting for a DVD/Blu-Ray® player, Cable box, game console or any other equipment included in a home theater system. Requiring minimal amount of effort to assemble, this unit is easy to install and even easier on the eyes.

Product Features:

- Strong, tempered glass shelves can be vertically adjusted to accommodate AV components of any height
- Cable-management system helps keep cables concealed and organized
- Supports 30lb
- Quick and easy to install
