

HP OfficeJet 200 Mobile Printer (CZ993A)

Easily print on the go from your laptop or mobile device with this powerful, portable printer.

Make the world your office with powerful portable printing—no network necessary.[1] This quick, quiet printer delivers more pages per cartridge and has a long-lasting battery life.[2]

Easy portable printing wherever you need it

Simply print from your laptop or mobile devices wirelessly, with or without a router.[1,3]

Lead the way with fast, easy mobile printing

Reduce charging interruptions with a long-lasting battery.

High-powered quality and reliability

Power through the workday. Charge from home, in your car or office, and more.[5]

Featuring

On-the-go printing with HP ePrint [7]

Unleash your printing [8]

Messaging Footnotes

[1] Mobile device needs to be connected directly to the Wi-Fi Direct® signal of a Wi-Fi Direct-supported AiO or printer prior to printing. Depending on mobile device, an app or driver may also be required. For details, see hp.com/go/mobileprinting. Wi-Fi Direct® is a registered trademark of Wi-Fi Alliance®.

[2] Best-in-class performance claim compares all inkjet color mobile printers as of October 2015 based on market share as reported by Q2 2015 IDC and manufacturer's published specifications.

[3] Local printing requires that mobile device and printer be on the same network or have a direct wireless connection. Remote printing requires an Internet connection to an HP web-connected printer. For details on how to print, including whether an app is required, see <http://www.hp.com/go/mobileprinting>

[5] Supports USB charging in OFF mode when connected to a 1A-minimum-charge-capable USB charging port.

[7] Requires an Internet connection to an HP ePrint-enabled printer. Printer requires ePrint account registration. App or software may be required. Wireless operations are compatible with 2.4 GHz operations only. Print times and connection speeds may vary. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. Learn more at hp.com/go/mobileprinting.

[8] Mobile device needs to be connected directly to the wireless network of a wireless direct-capable printer prior to printing. Depending on mobile device, an app or driver may also be required. Wireless performance is dependent on physical environment and distance from the access point in the printer.

Technical Specifications Footnotes

[2] Weight varies as per configuration

[3] Power consumption varies with print job, the use of wireless connectivity and the charging of battery. Values given are nominal.

[7] HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement
