SMARTMOUNT®

Digital Menu Board Mount with Height & Depth Adjustment

FOR 40" TO 65" DISPLAYS

Peerless-AV's quick service restaurant (QSR) Menu Board Mount is designed to create a seamless mounting surface. The QSR Menu Board Mount allows for tool-less height adjustment and four-corner depth adjustment to alleviate issues with wall imperfections and fine-tuning. The kickstand feature holds the bottom of the display away from the wall during cable connection, reducing installation time and cost. Available in landscape and portrait design options, Peerless-AV® offers a one-to-one ordering process, making the QSR Menu Board Mount the perfect mounting solution.
