Specifications

## 3.5kW split system Outdoor unit, Pre-charged refrigerant

ACRMD4KT-2

 To be discontinued on: Jan 31, 2026

 To be discontinued

### Overview

Lead timeSpecial Order - Call for Quoted Lead Times

### Main

Main Input Voltage200...240 V

Provided EquipmentBuilt-in modbus protocol adapter  
Operations and maintenance manual  
User Manual

### Physical

Height24.3 in (61.7 cm)

Width33.7 in (85.6 cm)

Depth11.7 in (29.6 cm)

Net Weight101.4 lb(US) (46 kg)

Mounting preferenceNo preference

Mounting ModeNot rack-mountable

### Input

Input Frequency60 Hz

### Conformance

Product CertificationsUL Listed

### Environmental

Audible noise at 1 meter from surface of unit50 dBA

### Ordering and shipping details

GTIN731304408109

### Packing Units

Unit Type of Package 1PCE

Nbr. of units in pkg.1

Package 1 Height28.5 in (72.3 cm)

Package 1 Width18.9 in (48 cm)

Price is "List Price" and may be subject to a trade discount – check with your local distributor or retailer for actual price.

Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

Use Better

|  Materials and Substances |                     |
|------------------------------------------------------------------------------------------------------------|---------------------|
| Packaging made with recycled cardboard                                                                     | Yes                 |
| Packaging without single use plastic                                                                       | No                  |
| EU RoHS Directive                                                                                          | Under investigation |

Use Again

|  Repack and remanufacture |                                                                                                                                                                                                                |
|------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Take-back                                                                                                  | No                                                                                                                                                                                                             |
| WEEE Label                                                                                                 |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins. |
