## Rack Mount, Security and Environmental Appliance, NetBotz, 750

NBRK0750

### Overview

|              |                                                                                                                                                                                                       |
|--------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Presentation | The NetBotz Rack Monitor 750 provides integrated surveillance, sensing, access control, and advanced alerting for IT environments of all sizes, from single-rack edge networks to large data centers. |
| Lead time    | Usually in Stock                                                                                                                                                                                      |

### Main

|                             |                                                                           |
|-----------------------------|---------------------------------------------------------------------------|
| Product or Component Type   | Industrial rack PC                                                        |
| Range of Product            | Netbotz                                                                   |
| Number of rack unit         | 1U                                                                        |
| Communication Port Protocol | A-Link<br>DHCP<br>HTTPS<br>IPv4<br>SNMP v1<br>SNMP v3<br>SSH v2<br>TCP/IP |
| Provided Equipment          | Rack Mounting brackets<br>Temperature/Humidity Sensor<br>USB cable        |
| Product Compatibility       | Rack Sensor Pod 150<br>Room Sensor Pod 155                                |

### General

|                                       |                                                                                                         |
|---------------------------------------|---------------------------------------------------------------------------------------------------------|
| Camera Frame Rate                     | Up to 30fps                                                                                             |
| Display Resolution                    | Up to 1280x1024                                                                                         |
| APC Universal Sensors Supported       | 0-5V<br>Door contact<br>Dry Contact<br>Humidity<br>Smoke<br>Fluid Spot Leak<br>Temperature<br>Vibration |
| Number of Universal Sensor Ports      | 6                                                                                                       |
| Number of Sensor Pods Supported       | 12                                                                                                      |
| Number of Universal Sensors Supported | 78                                                                                                      |
| Number of Cameras Supported           | 4                                                                                                       |

|------|--------------|

## Packing Units

|                              |                         |
|------------------------------|-------------------------|
| Unit Type of Package 1       | PCE                     |
| Nbr. of units in pkg.        | 1                       |
| Package 1 Height             | 4.528 in (11.500 cm)    |
| Package 1 Width              | 12.402 in (31.500 cm)   |
| Package 1 Length             | 21.063 in (53.500 cm)   |
| Package weight(Lbs)          | 9.178 lb(US) (4.163 kg) |
| Unit Type of Package 2       | S04                     |
| Number of Units in Package 2 | 2                       |
| Package 2 Height             | 11.8 in (30 cm)         |
| Package 2 Width              | 15.7 in (40 cm)         |

|                              |                            |
|------------------------------|----------------------------|
| Package 2 Length             | 23.6 in (60 cm)            |
| Package 2 Weight             | 19.789 lb(US) (8.976 kg)   |
| Unit Type of Package 3       | P12                        |
| Number of Units in Package 3 | 8                          |
| Package 3 Height             | 17.717 in (45.000 cm)      |
| Package 3 Width              | 31.496 in (80.000 cm)      |
| Package 3 Length             | 47.244 in (120.000 cm)     |
| Package 3 Weight             | 105.610 lb(US) (47.904 kg) |

## Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 24 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

[How we assess product sustainability >](#)

### Environmental footprint

|                                                        |                |
|--------------------------------------------------------|----------------|
| Total lifecycle Carbon footprint                       | 691 kg CO2 eq. |
| Carbon footprint of the manufacturing phase [A1 to A3] | 43 kg CO2 eq.  |
| Carbon footprint of the distribution phase [A4]        | 0.7 kg CO2 eq. |
| Carbon footprint of the installation phase [A5]        | 0.6 kg CO2 eq. |
| Carbon footprint of the use phase [B2, B3, B4, B6]     | 639 kg CO2 eq. |
| Carbon footprint of the end-of-life phase [C1 to C4]   | 7 kg CO2 eq.   |

## Use Better

### Materials and Substances

|                                        |                                                                                        |
|----------------------------------------|----------------------------------------------------------------------------------------|
| Packaging made with recycled cardboard | No                                                                                     |
| Packaging without single use plastic   | No                                                                                     |
| EU RoHS Directive                      | <a href="#">Compliant By Exemption</a>                                                 |
| REACH Regulation                       | <a href="#">Reference contains Substances of Very High Concern above the threshold</a> |

## Use Longer

### Lifetime extension

|        |    |
|--------|----|
| Repair | No |
|--------|----|

## Use Again

### Repack and remanufacture

|                               |                                                                                                                                                                                                                  |
|-------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Recyclability potential, in % | 49                                                                                                                                                                                                               |
| Take-back                     | Nej                                                                                                                                                                                                              |
| WEEE Label                    |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins. |

Product benefits / Features

---

NetBotz 750  
Benefits

**Strengthen Infrastructure Visibility**

Enhanced environmental and access monitoring gives you better oversight, helping you protect critical assets and avoid costly disruptions.

**Improve Incident Awareness**

Monitor up to 4 camera streams for fast issue detection with clear video, even in low-light, backed by multi-day event capture.

**Maximize Management Value**

Seamless integration with your DC management tools delivers unified monitoring, improving control, efficiency, and decision-making across your infrastructure.
