Product benefits / Features

EcoStruxure IT SmartConnect Benefits

Remote Power Visibility

Stay updated on power performance and availability with secure, cloud-based monitoring and check UPS status from mobile or tablet.

Proactive Device Protection

Extend UPS lifespan with lifecycle notifications, including UPS firmware updates and maintenance alerts that help prevent issues before they occur.

Easy Cloud Connectivity

Get instant remote monitoring through the built-in SmartConnect Ethernet port, enabling quick setup and cost-effective oversight of your power infrastructure.
