

Fixed Length Extension Columns are designed specifically for use with Peerless Multi Jumbo™ Display Mounts.

- * Other ceiling decouplers may be used if mounting to a structure other than an I-Beam. (Call Customer Service for more information.)
- ** Using different holes other than the ones that make the mount flush with I-Beam Clamp can increase the length in one inch increments.

WEIGHT	SHIPPING WEIGHT	MODEL #	DROP D	ACTUAL LENGTH L
6.2 lb. 2.8 kg.	7.1 lb. 3.2 kg.	ADD102	24 inch .61 meter	26.7 .68
