Portrait Back-to-Back Kiosk

Fits most 55" & 65" displays less than 1.81" (46mm) deep

Make a statement with Peerless-AV's versatile digital signage kiosk. Designed to support two ultra-thin or thicker commercial displays, this kiosk accentuates the sleek look of the flat panel displays, while providing ample space to integrate a media player, interactive touch system, camera, etc., to create a complete interactive kiosk experience. Paired with a wide range of aesthetic options, this modular line of kiosks makes it easy to execute any advertising or branding strategy.

- Accommodates ultra-thin or deeper commercial displays up to 1.81" (46mm) thick, while accentuating the slim, curvature kiosk design
- All steel construction plus a 3/8" thick base plate provides strength and freestanding stability
- Two thermostat-controlled fans assist in keeping equipment at an optimal temperature
- Six outlet, UL- and cUL-approved surge suppressor with 6' cord to protect voltage-sensitive components from damaging power surges
- Internal micro-adjustments allow for quick alignment of display within the kiosk window
- Secured doors allow convenient access to the display, media player and other internal components for easy installation and maintenance
- Component tray and shelf provide a dedicated area for storing AV equipment
- A wide range of custom aesthetic options also available; options include custom color finishes, decal logo and non-glare acrylic display cover
- Pre-assembled to simplify installation of entire solution
- Premium powder coat finish protects the unit and extends the product lifespan

Note: Kiosk enclosure does not include cover glass
