

ThinkPad X13 Gen 6 (Intel)

Designed to empower business professionals, this laptop, powered by the Intel® U or H Series Core Ultra 7 Processor, sets a new standard for productivity, responsiveness, and AI readiness. With integrated Intel® Arc™ 130T/140T graphics, it offers next-generation performance for visual computing and content creation. The laptop supports up to four independent displays via HDMI® and Thunderbolt™ ports, enabling seamless multitasking across extended workspaces. Business users will benefit from the ultra-responsive 32GB LPDDR5x-7467 memory and up to 2TB M.2 2280 SSD storage, which enables faster workflows and quicker access to data-intensive files.

Redefining possibilities with powerful performance and groundbreaking on-device AI

Equipped with 2W dual Dolby Atmos® stereo speakers, this laptop delivers immersive sound, enhancing virtual meetings, video conferences, and multimedia presentations. The 360° far-field dual-microphone array ensures crystal-clear voice capture, while the optional 5.0MP + IR discrete camera with fixed focus and built-in privacy shutter guarantees professional-grade video quality and safeguards privacy by preventing unintended camera access.

The 13.3" display, featuring WUXGA resolution and a 100% sRGB color gamut, provides business professionals with a sharp and vibrant viewing experience for documents, presentations, and spreadsheets. Furthermore, the UL Low Blue Light certification reduces eye strain during long hours of use, promoting comfort and helping users stay focused throughout the workday.

Starting at just 933 g (2.05 lbs), this ultra-lightweight laptop is an ideal companion for business professionals who value mobility without compromising performance. Featuring a carbon fiber top paired with an aluminum or magnesium bottom case provides impressive strength-to-weight ratio, ensuring that the laptop remains lightweight yet highly resistant to daily wear, drops, and pressure.

Lenovo Services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

Return To Depot Repair Warranty

- No-hassle repair process at a Lenovo service center
- Lenovo pays for all shipping between the customer and service facility
- Avoid unplanned operational expense with a simple annual fee

Accessories

Lenovo Wireless VoIP Headset

- Versatile control buttons for seamless functionality
- Advanced microphone with noise cancellation technology
- Extended battery life for uninterrupted listening experience

PN: 4XD1M80020 (Lenovo Wireless VoIP Headset), 4XH1M80022 (Lenovo USB-A Bluetooth® Audio Receiver Gen 2), 4XD1M80021 (Lenovo Wireless VoIP Headset Earcup)

Lenovo USB-C Dual Display Travel Dock

- Enhanced connectivity and visual experience in a portable hub
- Continuous power supply; efficient charging solution for mobile devices
- Eco-friendly dual display travel dock; style meets sustainability

PN: Dock without Adapter : 40B90000WW, Dock with Adapter : 40B90100xx
