

Experience the ultimate audio freedom with the Adesso Xtream T1 Wireless Earbuds, featuring advanced Bluetooth 5.3 technology for seamless, reliable connectivity and lossless audio. These true wireless stereo earbuds boast dual microphones, ensuring crystal-clear conversations even in noisy environments. Compact in design, they fit snugly in your ears for all-day comfort. Effortlessly control your music and calls with intuitive touch controls.

■ Bluetooth

Enables wireless connectivity to smartphones, tablets, and other Bluetooth-enabled devices. This allows users to enjoy a completely cord-free listening experience with seamless audio streaming and hands-free calling.

■ Built-In Microphone

Enables hands-free calling and voice command functionality directly through the earbuds. It provides clear voice input for phone calls, virtual assistants, or voice recordings, making communication seamless while keeping your hands free for other tasks.

■ Touch Controls

With the T1's intuitive touch controls, you can effortlessly control your music with a simple tap to play or pause. Adjust the volume to find the perfect sound level. These features ensure a seamless, user-friendly experience, giving you full control over your settings with just a few taps.

■ Wireless Charging

Allows for convenient, cable-free recharging by simply placing the earbuds or their case on a compatible charging pad. This eliminates the need for traditional charging cables and enhances portability and ease of use.

■ Mobile App Support

The Xtream T1 comes with a dedicated mobile app for iOS and Android, allowing you to customize settings to your preference. Adjust sound effects, personalize user controls, and perform firmware upgrades to keep your earbuds up to date. The app also provides real-time battery status, keeping you informed of consumption levels and ensuring you're always ready to go.
