

M2.1

Model Number: M21BTWB

List Price (As of 12/25/25): \$495.00

Buy Now Price: \$407.00

FEATURES

- Allows user to view their monitor(s) at an optimal position
- Rubberized Cable Management makes it simple to run cords through a modular system for a clean, sleek and organized aesthetic
- A patented, weight-compensating spring technology enables smooth and uniform height adjustment
- Built-in Counterbalance Indicator provides the ability to counterbalance the monitor weight before monitor installation to reduce expensive computer setup costs
- Patent-pending Smart Stop allows the user to customize the rotation of the arm, preventing overhang and protecting surrounding equipment
- Patent-pending Quick Release Joints instantly snap together for a secure and robust fit, simplifying installation. Only one tool is required, and it's neatly concealed inside the arm base
- Can be configured to hold up to two monitors
- Compatible with M/Connect 3, the first-ever integrated monitor arm bases and docking stations of their kind
