SCANNING ANYWHERE, ANYTIME

The Xerox® Duplex Travel 2.0 Scanner delivers professional-grade document capture in a truly portable design. Powered by a rechargeable lithium-ion battery, this lightweight scanner is ideal for professionals on the move, enabling efficient scanning whether in the office, at a client site, or working remotely. With duplex scanning capability, USB and WiFi connectivity, and compatibility with mobile devices, the Duplex Travel 2.0 provides the flexibility needed to keep pace with today's mobile workflows.

Despite its compact size, this scanner handles documents up to 8.5" x 118" (216 x 3000 mm), plastic ID cards, and photos, with scan speeds up to 15 pages per minute (4 seconds per page) at 300 dpi. When paired with the included Visioneer® Intelligent Software Platform, the Duplex Travel 2.0 helps streamline capture, organization, and conversion of business-critical information into editable, searchable digital formats.

COMPACT PERFORMANCE

At just 1.3 lbs (0.6 kg), the Xerox® Duplex Travel 2.0 Scanner is designed for true portability. Trays fold neatly into its compact frame, making it easy to carry in a briefcase or backpack. The built-in Li-ion battery supports scanning of up to 200 pages per charge, eliminating the need to stay tethered to power outlets. Automatic duplex scanning ensures maximum productivity without compromising image quality.

VERSATILE CONNECTIVITY

Equipped with both USB-C and WiFi 802.11 b/g/n, the Duplex Travel 2.0 connects seamlessly to PCs, Macs, and mobile devices. The Visioneer Mobile Capture app, available for Android® and iOS®, enables users to scan directly to smartphones and tablets, bringing flexibility to on-the-go document management.

INTELLIGENT SOFTWARE PLATFORM

The Xerox® Duplex Travel 2.0 Scanner is powered by the Visioneer Intelligent Software Platform, a suite of tools that

enhances productivity at every step of the document workflow. Visioneer OneTouch® technology simplifies scanning with single-click automation to preconfigured destinations, while Visioneer Organizer AI automatically classifies and tags files for faster, smarter retrieval. Visioneer Acuity® ensures every page is captured with crisp clarity through advanced image correction, and ABBYY® FineReader® PDF provides industry-leading OCR for creating searchable and editable files. For contact management, ABBYY® Business Card Reader makes it easy to capture and organize business contacts. Together, these applications transform raw scans into usable digital content with minimal effort.

Compact, connected, and intelligent, the Xerox® Duplex Travel 2.0 Scanner is built for professionals who need reliable scanning wherever their work takes them. With fast duplex performance, robust software, mobile readiness, and versatile document handling, it delivers the perfect balance of portability and power to keep business moving.
